

# IUPAT DISTRICT COUNCIL 35

25 COLGATE ROAD • ROSLINDALE, MASSACHUSETTS • 02131 • WWW.IUPATDC35.ORG

## JOB HEALTH AND SAFETY

While most of the projects DC 35 members have been working on are shut down, there are jobsites throughout our region that are still active. From Maine and New Hampshire to Boston and Southeastern Massachusetts, our Business Representatives have been on the road visiting jobsites and making sure our sister and brother members are safe. Many contractors have put in additional safety precautions, following the COVID-19 guidance put out by the Center for Disease Control. While on the job, please follow the directions and advice of the CDC. Most importantly,

- Wash your hands with soap and water throughout the day
- Cough or sneeze into your elbow or upper arm
- If you blow your nose, discard the tissue immediately into the trash
- Don't touch your face
- Keep a safe distance from others

**Any member who feels unsafe on the job should immediately contact one of your DC 35 Business Representatives. We are available to you by phone, text or email, 24 hours a day, seven days a week. We have been in communication with hundreds of you this week alone and are here to address all your concerns.**
