

IUPAT DISTRICT COUNCIL 35

25 COLGATE ROAD • ROSLINDALE, MASSACHUSETTS • 02131 • WWW.IUPATDC35.ORG

WE HAVE YOUR BACK

We begin week two of my Order to discontinue working on construction sites. The feedback has been overwhelmingly positive. We have put a system in place whereby our signatory contractors can make job-specific requests to resume work. I will tell you that every one of our signatory contractors has embraced our decision to make sure that our members will only return to work when it is safe to do so. Your District Council Staff has made many jobsite visits over the course of the past week. We've also reviewed dozens of COVID-19 Safety Policies put in place by Project Managers and our signatory contractor partners. As we all know, it's not enough to have a policy in place. To be effective a policy must ensure our members' safety and it must be strictly applied to a project.

Most importantly, we've been in touch with YOU, our Sister and Brother members, to find out how you feel about jobsite safety. The top priority is the safety of our members and their families. That concern for safety is one of the many things that separates us from the rest of the pack. We will stand beside you every step of the way while we work our way through these uncertain times.

Please make sure to take care of your health, physical and mental during this time of crisis. Our daily routines have been disrupted and this can cause stress or anxiety that should not be ignored. Our Labor Assistance Program continues operations, though most services are being conducted by phone or via the internet. Please be in touch with Business Representative Chris Brennan at 617-971-7736 or Modern Assistance Professionals at 1-800-878-2004 at any time.

We are here to answer any question you have and to assist you in making sure we all come through this stronger and more united than ever. Please be in touch with your Business Representative by phone, email or text. We are available 24 hours a day, seven days a week.
