AN UNEMPLOYMENT UPDATE FOR OUR SPANISH SPEAKING MEMBERS

Earlier today, the Massachusetts Department of Unemployment Assistance put a new “Spanish Friendly” software in place for those of you who will be applying to Unemployment. This change was a long time coming and was the result of many labor leaders urging our government officials to be of better service to our Spanish speaking community. Each of you makes our Union stronger.

If you have any questions about any issues affecting your family during this health crisis, please be in touch with a member of the District Council Staff. We are here to help you, 24 hours a day, seven days a week.
